**MITRETEK HEALTHCARE HIRES LARRY KROLL AS RASMAS ACCOUNT
MANAGER FOR THE SOUTHEAST REGION**

Kroll to Sell RASMAS Product Recall Management Service in the Southeastern States

FALLS CHURCH, Va. — October 01, 2005—Mitretek Healthcare, a division of Mitretek Systems, is pleased to announce that Larry Kroll has joined the Risk And Safety Management Alert System (RASMAS) Team as Account Manager for the Southeast Region. In his new roll, Mr. Kroll will oversee RASMAS sales in hospitals and health care organizations in North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, and Tennessee.

Mr. Kroll has more than 20 years of experience working in health care and technology sales. As Senior Account Manager with HSS, Inc., Mr. Kroll marketed health care software, services, and solutions to managed care, hospitals and consulting organizations. Other past employers include Knowledge Mechanics, Compaq, and Digital Equipment Corporation.

“We are thrilled to have Larry on the RASAMS Team. His understanding of the use of technology and software in the health care environment will help hospital personnel see the advantages of using a web-based system to automate the recall process,” states Clay Chase, RASMAS National Sales Manager at Mitretek Systems.

Mr. Kroll has an MBA in Finance and Marketing from Georgia State University and a BA in History and Spanish from the State University of New York at Binghamton. Mr. Kroll will be working from his office in Georgia. He can be reached at 877-727-6276 or by email at larry.kroll@mitretek.org

About RASMAS

RASMAS, a revolutionary patient safety service for recall management, has received wide-spread recognition and acceptance in the health care community. RASMAS was developed in collaboration with Johns Hopkins Health System and is now in use by numerous leading health care organizations across the US and more recently, Canada. Subscribers report an average 80 percent reduction in alert processing time and a dramatic decrease in the number of days from notification to removal of products from use. RASMAS is endorsed by The American Hospital Association (AHA) and was awarded the “Best New Advancement in Patient Safety and Disclosures” by the Health Care Research and Innovation Congress. For more information, please visit the RASMAS web site at www.rasmas.mitretek.org.
