**EARLE WILLIAMS TO SERVE AS MITRETEK HEALTHCARE'S
RASMAS ACCOUNT MANAGER FOR THE U.S. SOUTH CENTRAL REGION**

*Williams to Head RASMAS Product Recall Management Service Sales
in the South Central States*

FALLS CHURCH, Va. — November 5, 2005—Mitretek Healthcare, a division of Mitretek Systems, has hired Earle Williams as Risk And Safety Management Alert System (RASMAS) Account Manager for the South Central Region. Williams will be responsible for generating RASMAS sales in hospitals and health care organizations in Louisiana, Arkansas, Texas, Oklahoma, Kansas, Colorado, and New Mexico.

“Earle’s strong medical sales background will be a great boost to RASMAS. His knowledge of medical products adds insight to the challenges that hospitals face when dealing with product recalls,” says Mitretek Healthcare’s RASMAS National Sales Manager, Clay Chase. “Earle’s presence in the South Central region will help strengthen our efforts to improve patient safety through improved product recall management. We’re happy to have Earle on board.”

Williams brings more than 20 years of medical sales experience to RASMAS. His background includes positions with Total Repair Express, Pacific Pulmonary Services, and Heartstream Technologies. Williams has a BBA in Marketing from the University of Texas.

Williams will be working from his office in Texas. He can be reached at 877-727-6276 or by e-mail at earle.williams@mitretek.org.

About RASMAS

RASMAS is a revolutionary product recall management service that improves patient safety by helping health care organizations respond to product recalls, field corrections and bulletins issued by health care product manufacturers and regulators. RASMAS was developed in collaboration with Johns Hopkins Health System and is now in use by numerous leading health care organizations across the US and Canada. Subscribers report that the use of RASMAS has resulted in an average 80 percent reduction in alert processing time and a dramatic decrease in the number of days from notification to removal of products from use. RASMAS is endorsed by The American Hospital Association (AHA) and was awarded the ‘Best New Advancement in Patient Safety and Disclosures’ by the Health Care Research and Innovation Congress. For more information, please visit the RASMAS Web site at www.rasmas.mitretek.org.
